Shake off the February freeze and dance away the winter doldrums by celebrating Trifon Zarezan, the traditional Bulgarian wine celebration that marks the time of year when wine growers trim back their vines. In commemoration of Bulgaria's rich wine-making heritage, we will be offering complimentary tastes of several Bulgarian wines. Assen Assenov, BGCCDC's Chairman, will inform and entertain us with his knowledge of Bulgarian wines and wine-making traditions.

February 16, 2013, 7pm to 11pm
